PRESS RELEASE

## FeuerTrutz 2021: Webinars on stand construction and marketing presence for exhibitors

Preparations for FeuerTrutz, International Trade Fair with Congress for Preventive Fire Protection on 18 and 19 October 2021 in Nuremberg with digital supplement are in full swing. Various webinars are offered for registered exhibitors to prepare them optimally for participation in the exhibition.

For FeuerTrutz on site, compliance with the applicable hygiene measures is essential. Experts explain how these can be implemented in an uncomplicated manner when it comes to stand construction in the webinar "Stand Construction". The dual track concept of FeuerTrutz, which combines on-site participation with the advantages of the digital world, also offers twice as many marketing opportunities before, during and after the trade fair. How these can look in detail is shown in the webinar "Your marketing presence".
