Exhibitor voices: FENSTERBAU FRONTALE 2018**Jürgen Benitz-Wildenburg, ift Rosenheim**

“FENSTERBAU FRONTALE 2018 was like a fireworks show of innovation! We saw an extremely high number of new ideas from the exhibitors and had many intensive conversations, not only with experts from Germany, but also with more experts from the rest of Europe and Asia too.”

Thomas Lauritzen, Schüco

“We had four successful exhibition days. FENSTERBAU FRONTALE is humming and becoming increasingly international. We were impressed, and so was the audience!”

Bonifatius Eichwald, VEKA AG

“Our stand welcomed a lot of visitors throughout the exhibition. And the visitors were well prepared and so the conversations were very constructive. We are already looking forward to the next edition in 2020!”

Volker Fitschen, Roto Frank AG

“Roto Frank AG had its strongest FENSTERBAU FRONTALE to date: The exhibition was a huge success in every respect. With experts from all over the world, it has an excellent international positioning.”

“FENSTERBAU FRONTALE proved again that this world-leading trade show for windows, doors and facades is the innovation engine for the industry. Visitors had studied the offerings of the exhibitors intensively in advance and were also familiar with the supporting programme. And so the new FENSTERBAU FRONTALE FORUM received a steady flow of visitors.”
