PRESS RELEASE

May 2020

EUROGUSS Mexico postponed to May 2021

Given the conditions we are experiencing due to the global health emergency, and for the sake of all, NürnbergMesse and B&N Exposiciones have decided to postpone the launch of EUROGUSS Mexico to a new date on May 4th to 6th 2021 at Expo Guadalajara, Mexico.

EUROGUSS Mexico 2021 will significantly collaborate so that suppliers and those who produce in this essential industry for the growth of Mexico and the Americas can meet next May, and find all the updated solutions for their specific needs.

Working towards a strong premiere

“We would like to thank you for your interest in EUROGUSS Mexico and tell you that we will be happy to greet you next May,” says Christopher Boss, International Product Manager, NürnbergMesse GmbH. “We take this opportunity to thank the entire health sector for their dedication while taking care of everyone's health. The whole team of EUROGUSS Mexico is currently working from home. We are at your service with enthusiasm, do not hesitate to contact us at any time.”

Save the Date 2021

The next EUROGUSS Mexico will take place from May 4th to 6th 2021 at Expo Guadalajara, Mexico. The range of products and services will cover the whole spectrum of light metal casting. It will be the first edition of EUROGUSS Mexico as a stand-alone trade fair, after a successful start in 2018 in the form of an exhibitor pavilion.
