

Program at a Glance

Tuesday, March 31, 2020

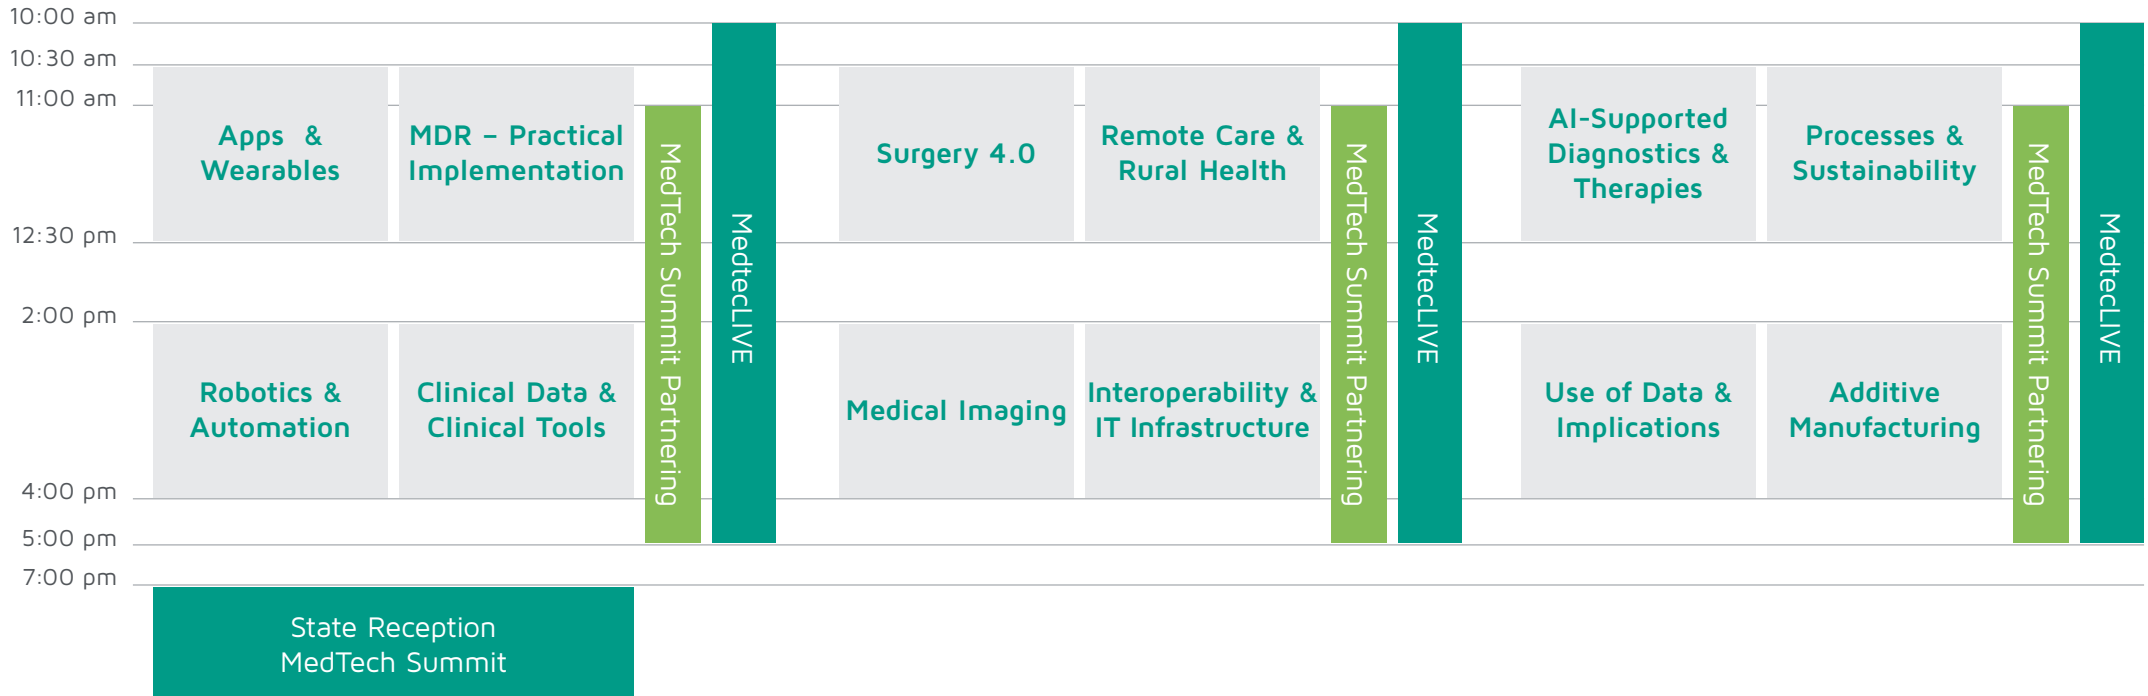

Wednesday, April 1, 2020

Thursday, April 2, 2020

Future Trends	Major Challenges
Digital Technologies	Regulatory Affairs

Future Trends	Major Challenges
Clinical Innovations	Connected Health

Future Trends	Major Challenges
Artificial Intelligence	Effective Manufacturing

Apps & Wearables

MDR – Practical Implementation

Robotics & Automation

Clinical Data & Clinical Tools

Surgery 4.0

Remote Care & Rural Health

Medical Imaging

Interoperability & IT Infrastructure

AI-Supported Diagnostics & Therapies

Processes & Sustainability

Use of Data & Implications

Additive Manufacturing

State Reception
MedTech Summit
