NEW PRODUCTS AND TRENDS

NEW

Modern architecture and bright natural light make hall 3A the ideal stage for the **Novelty Stand** at BIOFACH. Find inspiration in innovative products and cast your vote for the **Best New Product Award** here.

You'll find a wealth of ideas from Germany at the **"Innovation made in Germany"** pavilion in hall 9.

KNOW-HOW AND LEARNING

BIOFACH CONGRESS

'Organic delivers!' – the main congress topic at BIOFACH 2020 presents the many positive effects and successful strategies of ecological agriculture, production and trade. After all, today we recognise that ORGANIC offers solutions for the key challenges of the future. biofach.de/programme

FOCUS ON RESPONSIBILITY

At the **Initiative & NGOs Network Hub** you'll have the opportunity to discuss current topics such as: How should we handle natural resources? What does fair mean? What about regional? How important are animal welfare and biodiversity? Join in the discussion and be an active contributor!

See, smell, taste and touch your way through the **Worlds of WINE, OLIVE OIL** and **VEGAN** in a true delight to the senses! Let the premium organic products seduce all the senses as you experience everything these worlds have to offer.

In 2020 BIOFACH is confronting a truly hot topic with the special exhibition titled **All about water – is the basis of all life endangered?**. The new special show will host a number of associations, institutions and companies as they present their projects and products in talks and lots of other enlightening formats – all to do with that all-important resource for life: water.

EXPERIENCE AND DISCOVER
