EUROPEAN TRADE FAIR
FOR PACKAGING, TECHNOLOGY AND PROCESSING
28-30.9.2021 • NUREMBERG, GERMANY

NÜRNBERG MESSE

JOINING HANDS TOGETHER >

FACHPACK is the European trade fair for packaging, technology and processing. It is an important guide for the packaging industry and its customers – a compact, three-day working trade fair where packaging issues are actually tackled. Together. Here exhibitors and visitors from all industries will find a platform for an inspiring dialogue. Together they work on the packaging solutions of tomorrow.

> BECOME PART OF FACHPACK.

WE We experience FACHPACK together. Exhibitors meet with visitors and interact at a personal level. Together, we create a trade fair bursting with knowledge and ideas.

CREATE At FACHPACK, we actively work on tangible solutions and tackle new subject areas. We don't simply show what we've got, but we also take action and do successful business.

THE FUTURE We think into the future, planning with foresight and to ensure sustainability. We take a courageous approach and find innovative packaging concepts for tomorrow.

➤ **WHERE EXPERT KNOWLEDGE MEETS CONCRETE ACTION - AS IT HAS FOR OVER 40 YEARS.**

FOR THE DOERS >

WE GUIDE THE WAY >

> KEY THEME

Consumers demand recycled packaging, resource-saving materials, reusable packaging and environmentally friendly processes. And so we all have to think about materials, technology and processes in a new perspective. This is where exhibitors have the chance to position themselves on the market. Visitors can be inspired by the sustainable solutions on the key theme of environmentally friendly packaging.
