Stone+tec
Nürnberg 2020

International Trade Fair for
Natural Stone and Stone Technology

Your trade fair – your success story

Would you like to present your company to an international audience of stonemasons and stone processors from 66 countries? Are you looking for a practical, modern platform to do business successfully? Is your focus on sustainability, regional sourcing and the latest technology? Then Stone+tec is just the trade fair for you!

Special shows on “Material & Application”, “Material & Processing” and “Monumental gravestones” showcase the wide diversity of the sector and are therefore especially attractive to the professional audience at Stone+tec.

Look forward to intensive discussions with your new contacts and nurture existing business relationships by taking part in the exhibition.

We look forward to seeing you! Your Team Stone+tec

Get in touch with your industry

“Stone+tec was a huge success for us. We made a lot of sales and were able to establish a lot of new contacts.”
