
A portrait of Patrick Will, a man with dark hair, a beard, and glasses, wearing a light blue button-down shirt. He is looking slightly to the right of the camera with a neutral expression.

*"Here I meet the right
decision-makers for
IT security concepts"*

➤ Patrick Will, 45,
IT-Security Specialist

A blue icon of a key, symbolizing security or access, set against a background of binary code (0s and 1s) and a grid pattern.

**Solutions have
a platform: it-sa 2020.**

Nuremberg, Germany | 6 - 8 October 2020

#ITSA20 - HOME OF IT SECURITY

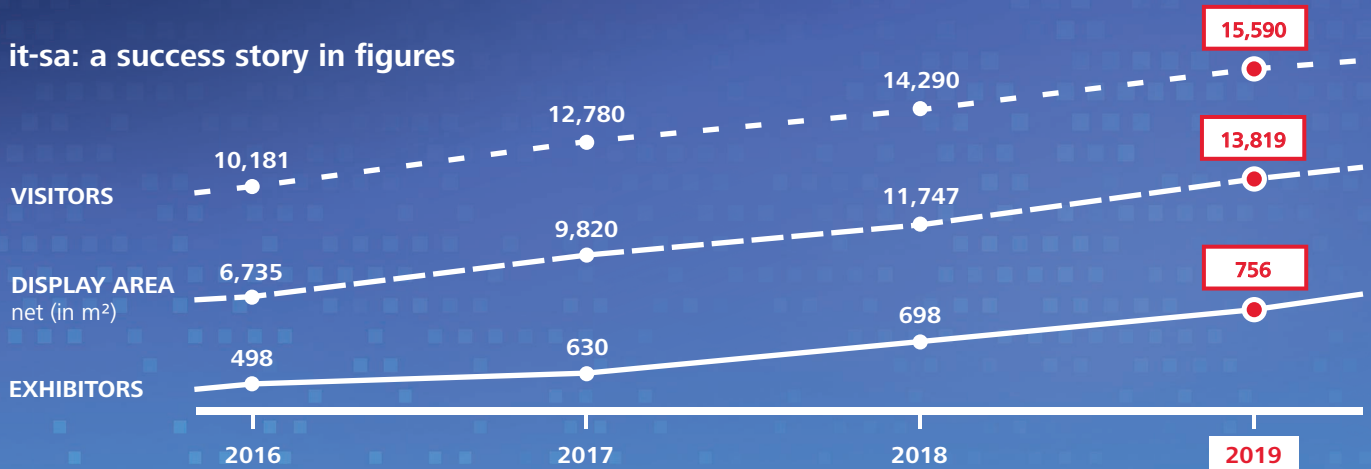

Take a proactive approach against cyber-attacks and for more system and data security. At it-sa you will meet decision-makers and IT managers for your customised concepts and solutions for more IT security in commerce, industry, administration and the service sector. It-sa is a highly focused exhibition offering professional dialogue among experts and a high-level supporting programme in the five presentation forums and congress sessions.

As an expert for IT security you really need to be part of the Home of IT Security. So start planning your trade fair participation at it-sa 2020!

91% of exhibitors were able to meet their most important target groups.
