INDIA’S LARGEST EVENT FOR FIRE SAFETY, SECURITY & BUILDING AUTOMATION

27-29 FEB 2020
India Expo Mart, Greater Noida, Delhi NCR
COMPREHENSIVE EVENT FOR FIRE SAFETY, SECURITY & BUILDING AUTOMATION

A multi-dimensional platform that combines solutions for active & passive organizational safety and security management. Fire & Security India Expo is organized by Fire & Security Association of India (FSAI) and NürnbergMesse India and is supported by all leading associations and major trade bodies.

FSIE is an annual platform for experts, architects, MEP consultants, OEMs, security experts, building engineers, members of leading security and prevention bodies to converge. The show also brings together safety & security representatives from retail, hospitality, real estate, healthcare, facility management, IT-ITEs industry and other stakeholders from around the world. These industry professionals meet at FSIE to disseminate information, gather knowledge, exchange ideas, exhibit, debate innovative perspectives, solutions and products for fire safety and security.

THE POTENTIAL

In India, awareness about Fire Safety and Security has grown exponentially which is supported by the following points:

• “Make in India” is the driving force behind the General Economic Development
• India’s ranking has improved considerably by over 30 places globally in the “Ease of Doing Business”
• Considerable FDI attractiveness inflows over the past 3 years in 2017 circa - USD $42 billion as FDI
• The Fire and Safety market in India is experiencing a steady growth with an estimated annual growth rate of 10-12%
• The Indian Security industry is also expected to double from 6.2 billion USD by 2020 says FICCI-Grant Thornton Report

“In India awareness about fire safety & security has grown exponentially and intensified over the last decade. With FSIE we have managed to create an attractive platform for manufacturers, suppliers and system integrators to offer innovative solutions and witness cutting edge technology.”

K.P. Dominic, National President, FSAI

“FSIE is the flagship event of FSAI and NürnbergMesse India. It is an ideal forum where invention and engineering come to the forefront to create a specialised and focused event for the fire & security industry.”

Pankaj Dharkar, International President, FSAI

“FSIE completes a full cycle and returns to Delhi after three years. The event has evolved into a widely acclaimed India’s largest B2B Automation, Fire Safety & Security platform which annually brings industry stakeholders together. FSIE 2020 will bring the world closer to India with largest ever International participation and one & half times bigger exhibit space. It is a step to fulfill the dream of “Smart & Safe India.”

Ashish Rakheja, Chairman FSIE 2020
