Please complete in full in block capitals or tick as appropriate.

We have exhibited at BIOFACH Nürnberg at the last time in  2022  2023

We confirm that we will show the same products at BIOFACH SAUDI ARABIA 2023 as in our last BIOFACH Nürnberg participation, that were admitted and compliant with the admission criteria. All products that have not yet been shown at BIOFACH Nürnberg, need to be specifically reported to the organizer and have to comply with the admission criteria.

**Products with organic certificate:** Our products are certified in accordance with an organic standard in the "IFOAM Family of Standards".

Please fill in the respective organic standard here: \_\_\_\_\_

**Control authority:** Our products are certified by an internationally recognised control body. Please fill in the name or control code of your organic control body:

\_\_\_\_\_

**IFOAM-accredited control body:** Our products are certified by the following IFOAM accredited control body:

\_\_\_\_\_

Please find more information regarding IFOAM Family of Standards under: [www.ifoam.org/ifoam-family-standards](http://www.ifoam.org/ifoam-family-standards)

**!** For the examination of admission of your exhibits, please submit the relevant certificates (including possible annex or trading schedule).

**Products from wild collection or wild fishery:** Our products from wild collection or wild fisheries originate from sustainable cultivation or sustainable fishing.

Please fill in the respective standard here: \_\_\_\_\_

**!** For the examination of admission of your exhibits, please submit the relevant certificates (including possible annex or trading schedule).

**Products without organic certificate:**

(PLEASE NOTE: Only products that cannot be certified as organic should be listed in this column.)

**Not all or none of our exhibits / services are certified to an organic standard.**

We request admission for the following products / product groups without organic certificate:

\_\_\_\_\_  
\_\_\_\_\_

and confirm that our products:

- are produced and processed to the latest technical standards in an environment-friendly way;
- are produced without the use of genetically modified organisms or substances produced or obtained from GMOs;
- have not been exposed to radioactive irradiation;
- do not contain any substances that are damaging to health or the environment and in particular that no ecologically critical materials have been used for the product or its packaging (halogen compounds, formaldehyde, Bakelite, PVC).

**!** For the examination of admission, products must be declared individually, lists of ingredients and an explanation as to why the products are not certified must be submitted.

**Services without organic certificate:**

We request admission for the following services:

\_\_\_\_\_

**For the examination of admission, the following must be confirmed in writing:**

- The services are developed specifically for the organic market;
- The company has a special connection with the organic sector
- BIOFACH visitors are our company's primary target group

We are the **organizer of a joint stand** and do not exhibit any products / services.

We agree to have all certification documents and other proof available at your stand for on-site product examination during the fair. The exhibition management reserves the right to - in individual cases - reject registered firms or submitted products. We hereby confirm the completeness and accuracy of the information given.
