Total	68

Key Findings from the international exhibitor survey:

All international exhibitors were able to reach their most important target groups at BIOFACH AMERICA 2021. They perfectly presented new products, prepared direct transactions or observed the competition. More than 90 % of the international exhibitors value the show participation within the context of the overall marketing and service activities as important, very important or of utmost importance. Therefore, 3 of 4 exhibitors are planning to come back in 2022.
