

YOUR VISITOR ACCESS TO THE EVENT

Personal networking? A sure thing!

Our goal is to create a framework for you in which networking and business can take place with peace of mind – from person to person. Therefore we have developed a viable hygiene concept and already implemented it successfully. **We have prepared various access concepts for your visit to the event, from so-called 3G to 2G+ concepts.**

Which of these concepts applies to the event depends on the official requirements at the time of the event. **Please check the event website shortly before your visit for the current hygiene protection measures and regulations on access.**

What is valid when?

Read on the following pages how admission to the event is regulated in each case and which documents are valid.
