Logo

Your official logo. We recommend that a suitable PNG image is used in order to preserve transparency. There are no restrictions on dimensions but we recommend that a landscape image is used. We recommend a minimum height of 300 pixels.

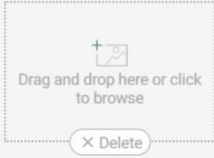

Recommended size: 300 pixels in height

Teaser image

This landscape picture will be used as lead banner on your partner profile. Furthermore, it will be used as a teaser image on your partner card. A widescreen ratio of 3:1, 2:1 or 16:9 is recommended.

Recommended size: 2320 x 1160 pixels

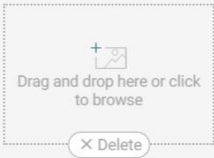

Media gallery

These images and videos are shown in a gallery on your profile. If the first uploaded file is a video, it will be shown in a "Featured video" box on top of the partner profile. The up and down arrows of the uploaded files allow you to change the display order afterwards. Attention: After the video upload has been successfully completed, it still might take several hours until the transcoding is finished and the video becomes visible on your profile.
