Discover innovations and inspiration for the future

Visit the world's leading trade fair for windows, doors and facades and discover the exciting range of products, cutting-edge technologies, components and structural elements on display at the stands. You'll find inspiration and enjoy in-depth professional discussions with experts from all around the world.

See what's trending in:

- Digitalisation and smart home
- Comfortable living
- Installation
- Sustainability and energy efficiency

Gain valuable inspiration on many other topics, like automation solutions for sunshades, locking systems or shutters.

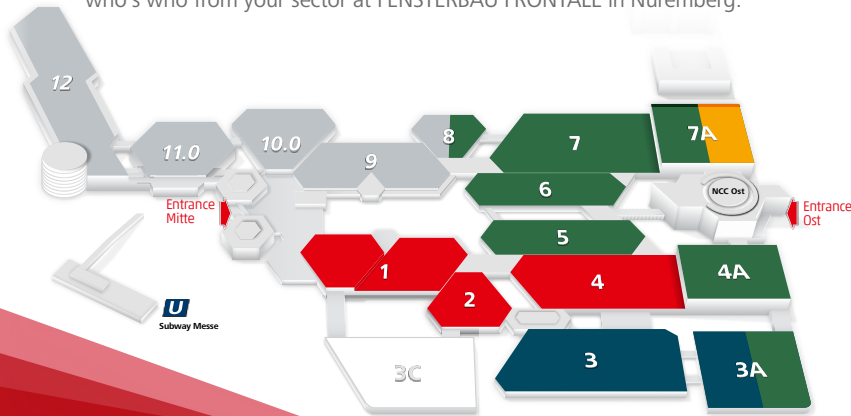

Look forward to four days packed with information, new contacts and prospects for your success. Along with our exhibitors we look forward to seeing you!

Your FENSTERBAU FRONTALE Team

Diverse product range of the highest standard
