# ALUCAST® 2020

India's biggest exhibition for the Aluminium Die Casting Industry, ALUCAST 2020, is scheduled to take place from 3 - 5 December, 2020 at Chennai Trade Centre, Chennai

The seventh edition of ALUCAST exhibition & conference concluded successfully at the India Expo Mart, Greater Noida, Delhi-NCR, on the 8th of December, 2018. More than 160 exhibitors presented their latest products and technologies. The event saw participation from countries including China, Japan, Germany, Switzerland, Taiwan and Italy. The Exhibition & Conference was organised by The Aluminium Casters' Association (ALUCAST) and the Event was produced by NürnbergMesse India. The three day exhibition cum conference had over 3500 visitors.

This biennial event has emerged as the convergence for numerous stakeholders across the aluminium industry. The accompanying training programmes and high level conferences evoke a great deal of interest. Over the past decade, the Indian Die Casting industry has seen modernization and increasing production capacities. The industry has grown phenomenally and is touted as the global supply hub for all auto giants. This puts the industry in an enviable position of quantum growth in the coming years.

We look forward to welcoming you to the upcoming 8th edition of ALUCAST. Come and be a part of this comprehensive show on aluminum die casting and get an opportunity to interact with industry experts and gain insights on the latest trends and technology.

## Current State of Indian Die-Casting Technology

### UPGRADATION

Large Die Casting Units invested adequately in modern machines and equipment with latest technologies.

### AUTOMATION

High degree of automation of machines for production, inspection, material handling and traceability.

### ENHANCEMENT

Enhanced manufacturing capacity.  
Capability to meet customer's requirements well established.

### QUALITY

Quality Management Systems in place, duly certified by International Agencies.

## Expected

**175+**BRANDS

**15+**COUNTRIES

**4000+**VISITORS

# Growth of Auto Industry in India

The Indian auto industry became the 4th largest in the world with sales increasing 9.5 per cent year-on-year to 4.02 million units (excluding two wheelers) in 2017. It was the 7th largest manufacturer of commercial vehicles in 2017.

## Market Size

Domestic automobile production increased at 7.08 per cent CAGR between FY13-18 with 29.07 million vehicles manufactured in the country in FY18. During April 2018-January 2019, automobile production increased 9.84 per cent year-on-year to reach 26.26 million vehicle units.

Overall domestic automobiles sales increased at 7.01 per cent CAGR between FY13-18 with 24.97 million vehicles getting sold in FY18. During April 2018-January 2019, highest year-on-year growth in domestic sales among all the categories was recorded in commercial vehicles at 22.79 per cent followed by 14.79 per cent year-on-year growth in the sales of three-wheelers.

Indian automotive industry (including component manufacturing) is expected to reach Rs. 16.16-18.18 trillion (US\$ 251.4-282.8 billion) by 2026.

Notes: CAGR- Compound Annual Growth Rate

## Visitor Profile

- Casting Purchasers (OEMs, Tier 1 and Tier 2)
- Consultants
- Educational Institutes
- Government Officials
- Investors and Promoters
- Product and Service Users
- Technology Suppliers and Buyers
- Tool Room Centers
- Trade Associations
- Key Personnel of Core & Allied Industries including:
  - Automotive
  - Electronics
  - Electrical appliances
  - Mechanical
  - Electrical instruments
  - Toys & Others

## Exhibitor Profile

- Aluminium Die Casting
- Aluminium Recycling
- Automation of Casting Process
- Melting Practices and Metal Treatment
- Post Casting Operations
- Heat Treatment Specialists
- Instrumentation and Control
- Software Systems Integration/Rapid Prototyping
- Die Casting Machinery Manufacturers
- Die Manufacturers
- Machine Tools
- Government Bodies and Associations
- Environmental Regulations
- Health and Safety
- Human Resource Management

## Review 2018

96%

of the Exhibitors were impressed with the quality and number of visitors

72%

of the Exhibitors were able to make new business contacts at ALUCAST 2018

60%

of the Exhibitors had international visitors to their booth

33%

of the participation was international

## Conference

Papers presented during the ALUCAST Conference cover latest technology and market topics, and provide participants with an opportunity to gain new skills and knowledge to enhance their expertise in various domains. The sessions led by the most influential experts will review how challenges in the die-casting Industry have been faced and resolved successfully. ALUCAST Conference is an important meeting place for the Industry Stakeholders to discuss, debate and define the upcoming trends and technologies.

*"This is our first time in ALUCAST, the response has been fantastic! We've received many people in our stall and a lot of interest in our company. It's been a very good" experience."*

**– Ana Candela Delgado,  
GHI Hornos Industriales S.L.**

*"Big congratulations to the organisers for putting up a very professional and meaningful show that brought VALUE to all the stakeholders."*

**– Rahat A Bhatia,  
Founder, Raga Group**

*"ALUCAST 2018 garnered an overwhelming response for Alubee, we have already started reaping the benefits. Wonderfully organized event!"*

**- G Praburam,  
Managing Partner,  
Alubee Die-Casters**

# Top Reasons to Exhibit

# 1

Presenting new products & technologies

# 2

The whole die casting value chain in one place

# 3

New business contacts and networking

## Event Organizer

The Aluminium Casters' Association (ALUCAST) is the largest registered body representing the Aluminium Die - Casters and castings manufacturers in India. For nearly 2 decades, the association has been organizing and conducting training programmes, workshops, national and international seminars, conferences, exhibitions and industrial visits for this industry.

ALUCAST- the International Conference and Exhibition- India's biggest and most focussed event for the Aluminium Die Casting Industry is also organized under the association's purview.

Its list of members includes manufacturers of aluminium castings, users of castings, machines and peripherals for die casting machines, foundry chemicals and consumables, design software, dies, casting process simulation software, and others connected with casting manufacture and post casting processes.
