

INSPIRATION, NETWORKING AND HANDS-ON EXPERIENCES

It's that time again: the only exhibition worldwide to cover the entire range of solutions for the design, construction and maintenance of urban, green and open spaces will open its doors from 14 to 17 September 2022. And as part of the landscaping and gardening community, you are cordially invited to come along and showcase your innovations at this event. These are very promising times for our industry, as relaxing in your own garden becomes more important than ever. Let's join forces to reap the benefits of this trend. Because only by working HAND IN HAND will we make the industry strong for the future. We look forward to welcoming you!
