## PROFESSIONAL DIALOGUE AMONG PEERS

POWTECH is a trade fair for engineers with a passion for processing technology and is ideal for all sectors that handle or process bulk solids. It's where you'll meet all the leading manufacturers of innovative machinery and equipment.

## HIGH TECH AS A LIVE EXPERIENCE

Add to your professional knowledge over a wide spectrum. The event brings the entire supply chain impressively to life with its many exhibits. Discover innovative solutions for efficient production processes and enjoy interesting discussions with other like-minded professionals.

## USERS. EXHIBITORS. EQUIPMENT MANUFACTURERS.

They all come together at POWTECH: Benefit from the experience of exhibiting companies and other sectors that are facing the same challenges, gather new inspiration for your processes, and lay the groundwork for joint projects in face-to-face conversations.

# 3 GOOD REASONS FOR YOUR VISIT

### 1. BIG BUSINESS

POWTECH is the largest international capital goods fair for mechanical processing technology.

### 2. CUTTING-EDGE IDEAS

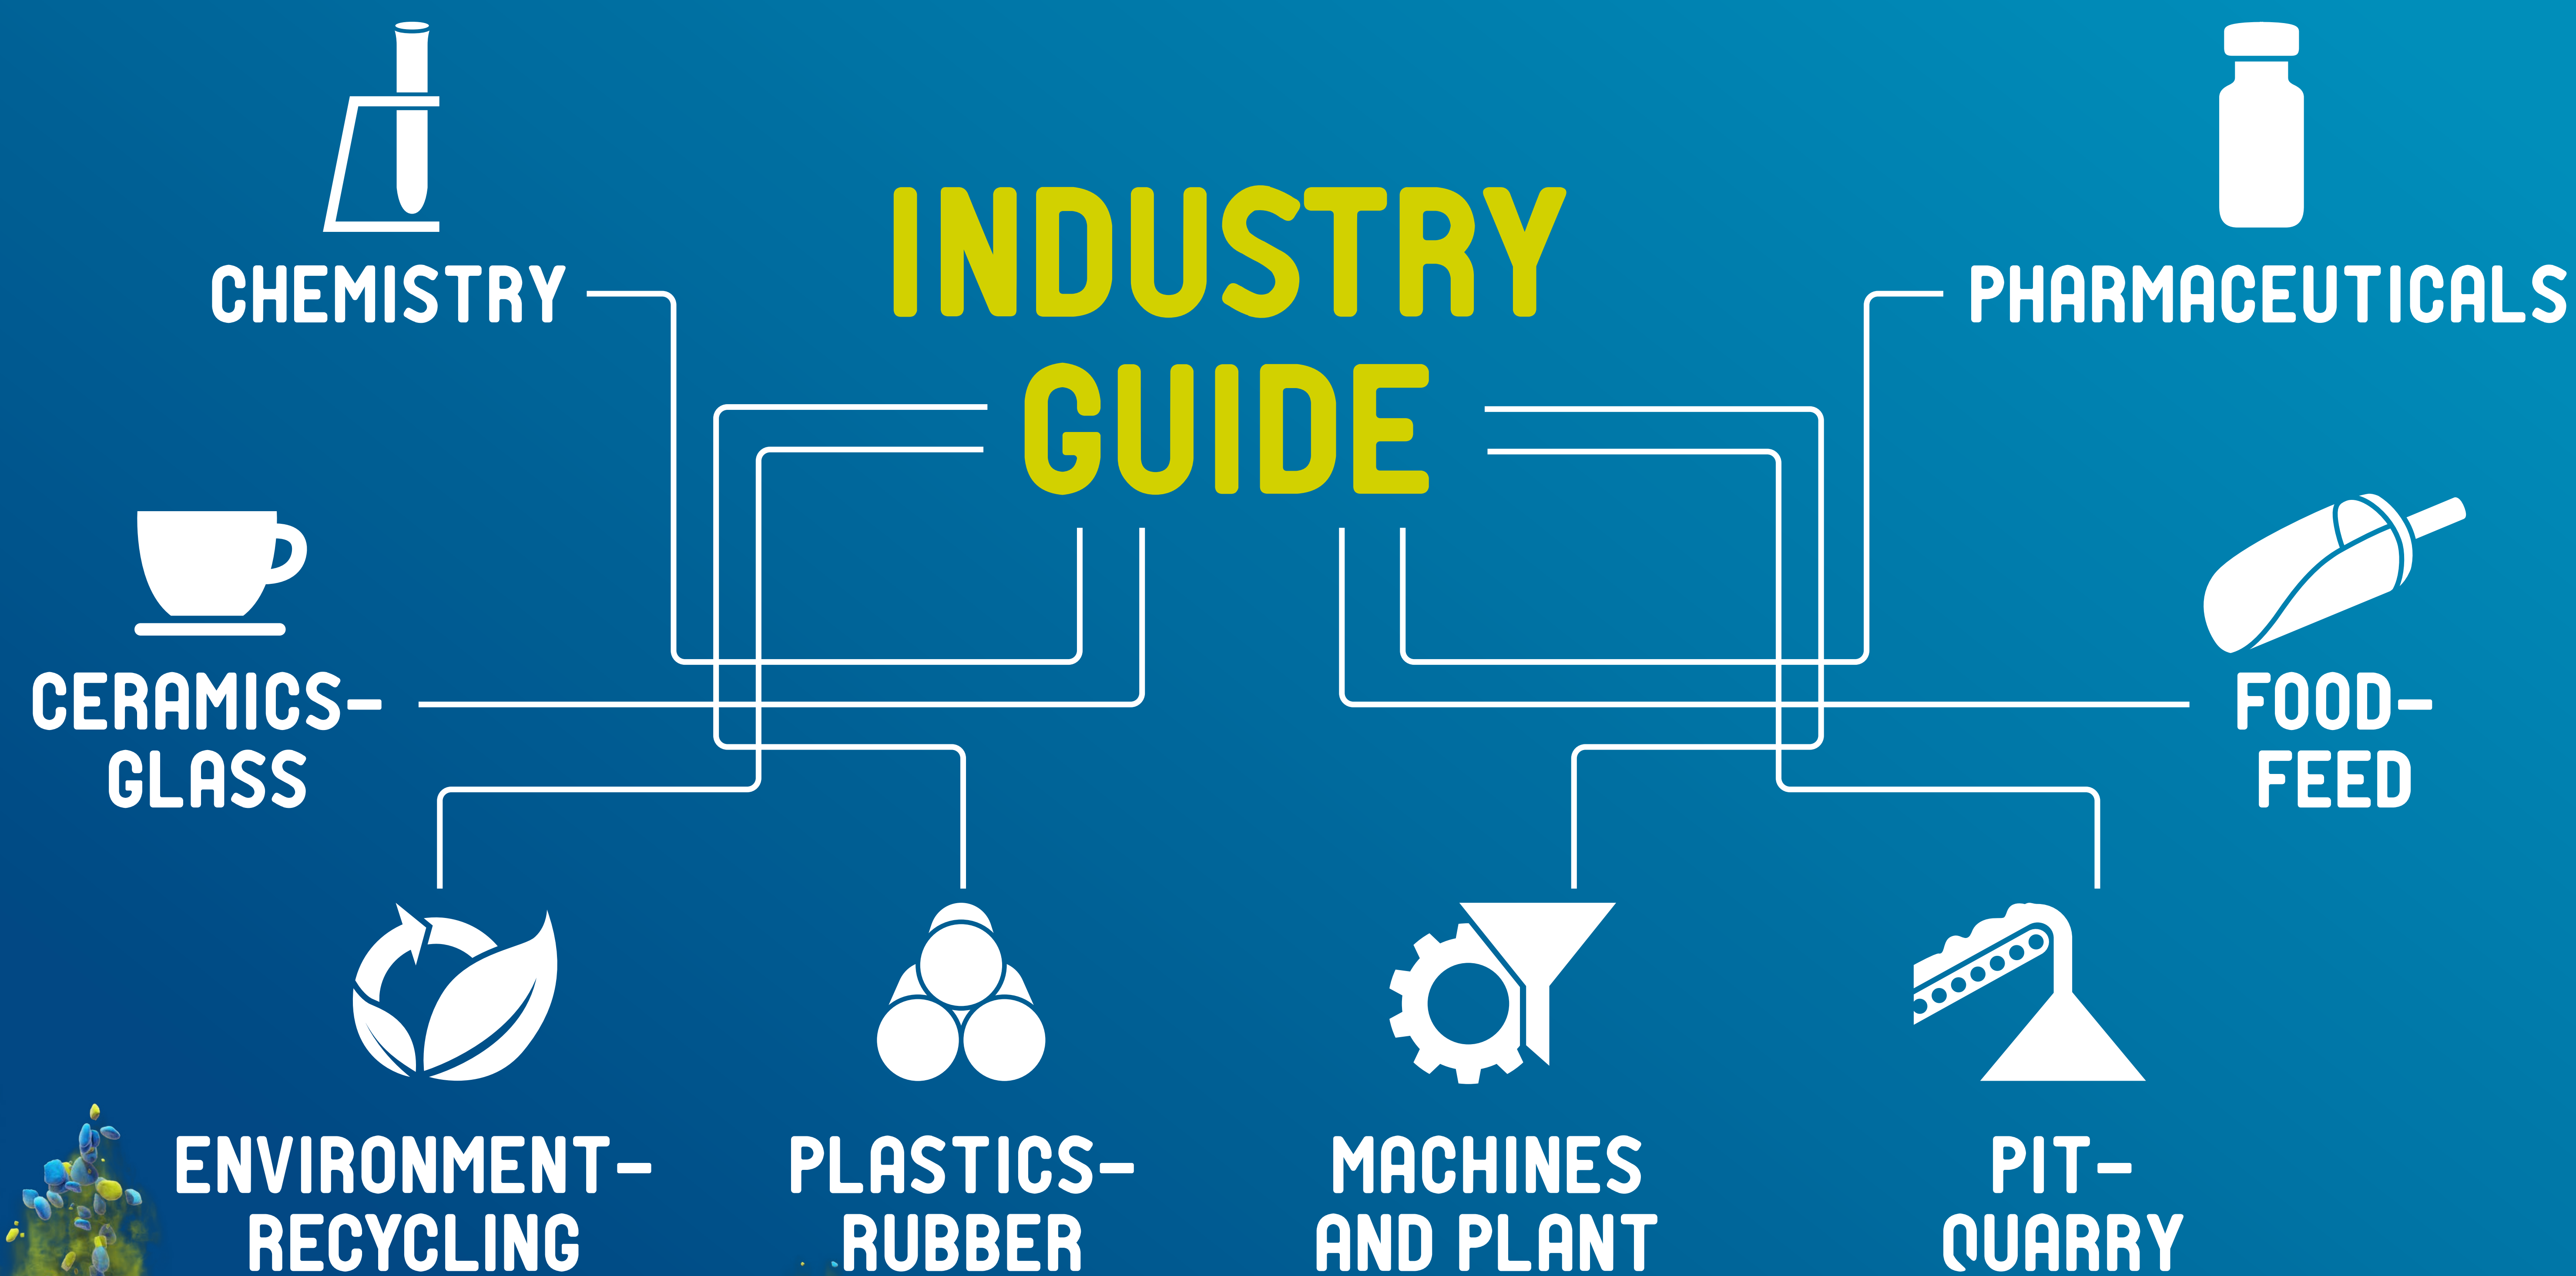

Discover innovative solutions for your production process through impressive exhibits live in action.

### 3. MAKING CONTACTS

This is where the community of mechanical processing engineers comes together, providing the perfect opportunity for networking.

# TWICE AS STRONG FOR YOUR BUSINESS: SYNERGIES WITH FACHPACK

## BUSINESS POWER DOUBLE ACT

This year, POWTECH has the special opportunity to take place alongside the European packaging fair FACHPACK. The two events bring together the entire supply chain, from process to technology and packaging.

## THE RIGHT FIT FOR YOUR SECTOR

At both FACHPACK and POWTECH, you'll find products, machinery and equipment exactly tailored to your industry. Whether you are in the food sector, chemicals and plastics, or pharmaceuticals, the exhibitor and product database will help you find suitable solutions at both events precisely adapted to your needs.

## MORE BUSINESS OPPORTUNITIES

In a recent survey, a third of visitors to POWTECH also expressed an interest in packaging and filling, so FACHPACK offers a good opportunity to get detailed information on these issues.
