NÜRNBERG MESSE

SHAPING A SAFE FUTURE TOGETHER

FeuerTrutz is Europe's most important event for preventive fire protection.

VARIED

FeuerTrutz brings together the entire spectrum of passive, active and organizational fire protection at a single location. The combination of trade fair and congress lets you experience trends, solutions and products for preventive fire protection in a unique and compact setting!

INSPIRING

Be impressed by a great trade fair experience and a programme packed full of valuable expert and professional knowledge!

PERSONAL

Look forward to valuable suggestions and exclusive networking on-site – your meeting place for the European fire protection community!

Stefan Dittrich

Director FeuerTrutz
NürnbergMesse GmbH

André Gesellchen

Programme Director
FeuerTrutz Network GmbH
