SUPPORTING PROGRAMME GETS YOU NOTICED

POWTECH is all about networking. The various panel discussions and forums bring you together with experts to share ideas, enjoy personal dialogue and discuss the technical details of machine presentations. It's the ideal opportunity for you to effectively position your product range and make new business contacts.

Other items on the agenda that are not just attractive to trade visitors are the live explosions, the APV Pharma-Forum, the VDMA special show, and the VDI's ProcessNet Cafe.
