**POWTECH**

International Processing Trade Fair for  
Powder, Bulk Solids, Fluids and Liquids

# THE TRADE FOR EVERYONE PASSIONATE ABOUT PROCESSING TECHNOLOGY

**EXPERTISE TO GO**

**3 DAYS**

**700 EXHIBITORS**

**14,000 TRADE VISITORS**

The largest international capital goods fair for processing technology inspires the community. With innovations and solutions for production processes of powder, granulates, bulk solids as well as fluids and liquids. With hands-on exhibits. And with technical depth and professional dialogue among peers.

Meet your customers and partners and work with them to develop custom solutions for innovative projects and efficient production processes.

POWTECH is the No.1 gathering for the powder and bulk solids community. So don't miss out!

### Shape the future

Be part of the most important international gathering for powder and bulk solids experts

### Share knowledge

Present your ideas and solutions and join in the discussions in various exhibitor forums and talks

### Showcase your best technology

Present your innovations, solutions and exhibits live and hands-on and enjoy professional dialogue

### Offer your solutions

Liquids are handled within the manufacturing process, and end products are available as solids or liquids. Present your know-how for both conditions.

### Extend your reach

Look forward to new business opportunities with 60% German and 40% international participants from all around the world

### Exploit the diversity

Showcase your comprehensive range on the platform for all major user segments

### Meet top-flight professionals

Take advantage of the unrivalled calibre of visitors and enjoy professional discussions with decision-makers, experts and engineers

## SUPPORTING PROGRAMME GETS YOU NOTICED

POWTECH is all about networking. The various panel discussions and forums bring you together with experts to share ideas, enjoy personal dialogue and discuss the technical details of machine presentations. It's the ideal opportunity for you to effectively position your product range and make new business contacts.

Other items on the agenda that are not just attractive to trade visitors are the live explosions, guided tours and theme pavilions, the APV Pharma-Forum, the VDMA special show, and the VDI's Lounge.
