26–28.9.2023
Nuremberg, Germany

POWTECH
International Processing Trade Fair for

POWDER
BULK SOLIDS
FLUIDS
LIQUIDS

Together with
PARTEC
International Congress on Particle Technology
The largest international capital goods fair for processing technology inspires the community. With innovations and solutions for production processes of powder, granulates, bulk solids as well as fluids and liquids. With hands-on exhibits. And with technical depth and professional dialogue among peers.

Meet your customers and partners and work with them to develop custom solutions for innovative projects and efficient production processes.

POWTECH is the No.1 gathering for the powder and bulk solids community. So don’t miss out!
7 REASONS TO GO

Shape the future
Be part of the most important international gathering for powder and bulk solids experts

Share knowledge
Present your ideas and solutions and join in the discussions in various exhibitor forums and talks

Offer your solutions
Liquids are handled within the manufacturing process, and end products are available as solids or liquids. Present your know-how for both conditions.

Showcase your best technology
Present your innovations, solutions and exhibits live and hands-on and enjoy professional dialogue

Extend your reach
Look forward to new business opportunities with 60% German and 40% international participants from all around the world

Exploit the diversity
Showcase your comprehensive range on the platform for all major user segments

Meet top-flight professionals
Take advantage of the unrivalled calibre of visitors and enjoy professional discussions with decision-makers, experts and engineers
